

Application for Financial Support of a TCUSD Event, Activity, Project or Program

Request and Presentation Requirements

The annual Fall teacher grant process is intended for classroom grant applications by TCUSD employees that do not exceed \$500. Any grant requests that exceed that amount, or are being requested outside the grant application window, require a written request and an in person (brief) presentation on the need and expected outcomes of the grant.

TCSF requests that you include a description of the steps or actions that you have taken to attempt getting site or district funds to assist with this grant request. Note that your principal's signature is also an indication that you have requested and exhausted all district avenues for funding.

<u>NOTE</u>: Evidence of grant implementation and original receipts MUST be submitted by the end of the school year. Grant applicants who fail to submit their Evidence of Grant Implementation Report will be ineligible to apply for any type of grant in the next school year.

Requirements:

The attached application MUST be completed by a TCUSD employee, **NOT a student** and must be signed by all required administrators before an applicant will be able to be placed on the agenda of a future meeting (if an upcoming meeting agenda is full applicants may be asked to present at a later meeting). A scanned copy of the signed application MUST be emailed to tcsfgrants@gmail.com & tcsf4students@gmail.com at least 2 weeks prior to the bimonthly TCSF meeting. The TCSF Coordinator, will contact you to arrange adding you to a meeting agenda where you will be able to give a BRIEF (3-minute max.) oral presentation.
